

Need a new carrier in the wake of Gable pulling out of new business?

INSURANCE SERVICES

Then SJL Insurance Services may well be the answer...

We pride ourselves on being a 'one stop shop' for any commercial or property owner risks and now **only offer terms with rated UK based insurers or via Lloyds of London.**

You will have a dedicated SJL account manager with whom to build a business relationship; as he or she earn commission on any risk they place for you they will fight for the best terms possible. Further benefits include:

- Delegated underwriting authority
- Present risks in a format to suit you
- All schemes cascade risk transfer
- No minimum support requirements
- Generous commission levels
- In-house claims support

So why not give SJL a go for risks in the following areas?

Commercial package - All trades considered; especially keen rates and terms for hospitality risks (pubs, restaurants, takeaways, hotels, chip shops, social clubs etc.) with delegated underwriting authority from a leading UK insurer.

Commercial property - Whether vacant, tenanted or owner occupied we have a solution to suit. With underwriting authority from two UK based insurers and two Lloyds syndicates we will usually find competitive and comprehensive terms.

Residential property - Be it unoccupied or let to professionals, students or DSS tenants we have a flat rated Lloyds binder providing malicious damage and theft by tenants as standard and covering carpets under the buildings definition.

Commercial combined/Complex liability/Professional indemnity - SJL's ability to wholesale a selection of niche markets (exclusively in one instance) coupled with an in-house expert and composite relationships means a prompt turnaround of quotes.
